

TOUR OF HOMES

Fostering Creativity, Compassion and Community

April 24-25, 2026

10:00 AM - 2:00 PM Friday and Saturday

In partnership with The Home Team, the Tour of Homes will showcase 8 beautiful homes in Rock Hill, including two of The Life House locations.

Our goal with this special event is to raise financial support for The Life House, bring awareness to the necessity of housing accessibility and affordability in our community, and encourage appreciation of the stability, security, and safety a home offers to its residents.

All proceeds benefit The Life House in providing help and hope to unhoused women and their children.
